Workshop Agenda – Day 1

Time	Item	Presenter
8:30-8:45	Welcome, Introduction and Workshop Overview	All
8:45-9:15	Modeling Stream Network Environments	Erin Peterson
9:15-10:05	Introduction to Spatial Statistics	Jay Ver Hoef
10:05-10:25	Morning Break	
10:25-11:20	Spatial Statistical Modeling on Stream Networks	Jay Ver Hoef
11:20-12:00	Applications of SSN Models	Dan Isaak
12:00-1:00	Lunch	
1:00-2:00	Spatial Data Analyses using SSNbler & GIS	Erin Peterson
2:00-3:00	SSNbler Package Demo	Erin Peterson
3:00-3:20	Afternoon Break	
3:20-4:30	SSN2: Package Demo	Michael Dumelle
4:30-4:45	Wrap up	
6:00 on	Social hour relaxation – The RAM	All Welcome!

Workshop Agenda – Days 2 & 3

Day 2: 9:00am – 5:00pm

Time	Item
------	------

9:00-9:10	Welcome (Day 2)
-----------	-----------------

9:10-10:30	Hands on applications of SSN2/SSNbler to your data and/or example data
------------	--

10:30-10:50	Morning Break
-------------	---------------

10:50-12:30	
-------------	--

12:30-1:30	Lunch
------------	-------

1:30-3:00	
-----------	--

3:00-3:20	Afternoon Break
-----------	-----------------

3:20-5:00	
-----------	--

Day 3: 9:00am – 12:00pm

Time	Item
------	------

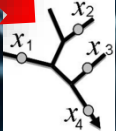

9:00-9:10	Welcome (Day 3)
-----------	-----------------

9:10-10:30	Hands on applications of SSN2/SSNbler to your data and/or example data
------------	--

10:30-10:50	Morning Break
-------------	---------------

10:50-12:00	Hands on applications of SSN2/SSNbler to your data and/or example data
-------------	--

12:00	Workshop Ends
-------	---------------

Huge Thanks to Boise Aquatic

Sciences Lab Staff...

Dave Nagel –
Geospatial analyst

Dona Horan –
Fish biologist, GIS,
field research, etc.

Morgan Sparks & Bryan Maitland
Fisheries scientists & R genius's
